- *Year-to-date wins stand at RM105.7 million, bringing cumulative order book to RM277.9 million with over three to four years earnings visibility*

Selangor, Malaysia, 16 June 2026 - MedTech solutions provider, LAC Med Berhad (LAC Med or the Group; Bloomberg: LACMED MK) secured a RM78.9 million contract for the supply and delivery of reagents with related items for pathology chemistry tests to ten (10) public hospitals under the Ministry of Health in Kedah.

The contract was secured via a Letter of Award ("LOA") from a healthcare concessionaire company to the Group's wholly-owned subsidiary, LAC Medical Supplies Sdn. Bhd. The project encompasses the supply and delivery of products from a recently onboarded principal on an "Instrument Placement" basis, with the Group representing the global brand and marketing its reagents and consumables in Malaysia. The agreement is valid for four years, from 15 June 2026 to 14 June 2030.

To date, LAC Med has secured about RM105.7 million in wins from the same brand, bringing the Group's order book to RM277.9 million, with earnings visibility over the next three to four years.

"This sizable win not only validates our success in helping our new principals penetrate the Malaysian healthcare market, but also strengthens our recurring income stream. This is an untapped market for our group and a great opportunity for us to build a track record in supplying medical consumables.

Furthermore, we are able to cultivate deeper relationships with our clients and offer additional solutions to meet their evolving needs. Being one of the leaders in the medical solutions market, we are poised to secure more wins to build our order book and fuel our growth."
